

WZ O ACT PLAY FESTIVAL 2024

The Westville Theatre Club is proud to announce that the popular One Act Play Festival will once again be staged on 12 – 14 and 19 – 21 April 2024.

Apart from being a huge amount of fun for both casts and audience, the One Act Play Festival provides an opportunity to discover and develop new, as well as existing talent.

Therefore, we are calling on actors and backstage crew members who want to experience the unique thrill of live theatre – NO EXPERIENCE NEEDED!

The 2024 Festival will consist of SIX different One Act Plays which will be grouped and presented as two shows of three plays each.

If you are eager to get on stage and be part of one of the greatest team experiences ever, then come along to the auditions at the club (adjacent to Westville Swimming Pool) on **Sunday, 28 January 2024 from 14:00 to 16:00, or Monday, 29 January 2024 from 18:00 to 20:00**. Please note that it is not required to attend both audition slots.

If you are auditioning for an acting role, you will be required to read from a monologue or script which will be provided to you at the venue. Due to the nature of the festival, we will only be auditioning for acting parts and no dancing or singing skills will be required. Please keep in mind that the Westville Theatre Club is a community theatre, providing a platform for amateur theatre enthusiasts, therefore there is no compensation for participation.

Despite the acting opportunities, we are also looking for backstage crew who are essential for the smooth running of the production – costumes, props, sets, lighting, sound, etc.
